

May 2024 Ocean Point Colony Trust Update

"We are a nonprofit organization dedicated to responsible stewardship of properties and resources and to creating programs and activities at Ocean Point, Maine, for the enjoyment of all."

Hello everyone,

April showers supposedly bring May flowers. The flowers have come but in general, the showers remain. As the town water has been turned on more people are returning to open up their cottages or walk along the newly paved Shore Road.

A brief May community update follows:

1. Saturday May 25, at 8-Noon, will be our annual cleanup day. This is a great way as a community to prepare the Casino area and other assets of OPCT for the summer season. In addition, it serves as a way for community supporters to meet and work together after a long winter. As in the past, we will divide up in groups to complete tasks. How much can be accomplished is determined by the weather and turnout. If feasible, this may include some shoreline cleanup after the winter storms. We will have inside and outside chores. Bring rakes, shovels, gloves. Cookies and water will be provided.
2. The racquet sport courts should be ready to go for use in early June. Signup in June can be made by contacting Anna Waldman or Lauren Palmer at (OPCTRacquetSports@outlook.com)
3. Please look at a revitalized website (<https://oceanpointcolonytrust.org>) for general information, contributions, racquet sports involvement, OPCT store, and a newly added OPCT merchandise section. There are calendars of events and activities for the summer. Please participate as you can and desire. Hopefully there is a bit of something for everyone.

4. Ginna Yerrall, our activities chairperson, is still looking for individuals to head several activities planned. One or two movie nights, an adult trivia night, and a food sale. She can be reached at (gmdar@optonline.net)
5. In early June, there will be a distribution of a brochure around the Ocean Point area serving as a reminder of OPCT attributes, events, and activities. It will also serve as an introduction to individuals new to the area. This would be helpful to have around your residence for information about OPCT for yourself, visitors, and renters.
6. If you have not already done so, I would strongly encourage your consideration of becoming a voting contributor of OPCT, consider active racquet sports involvement, or making any contribution to support OPCT. This can be accomplished by conveniently registering online or by sending a check to OPCT Treasurer, Box 642, East Boothbay, ME 04544.

As always, if you have any questions or concerns I can be reached at taylorsp2@gmail.com, 207-607-9640 Cell or 207-633-5048 Home

Paul
